Subject: Ethical clearance

Dear Mr. Golam Rabbany,

The Faculty of Health and Life Sciences - Research Ethics Committee (FHLS-REC), DIU is pleased to inform you that the committee has given ethical clearance for the research proposal entitled “**A novel feedforward-backpropagation neural network model to analyze the impact of social media addiction on mental health using the Social Media Addiction Scale among Bangladeshi students**”.

Prof. Dr. Salamat Khandker

Member Secretary

Institutional Review Board, DIU

**THE RESEARCHERS/INVESTIGATORS SHOULD FOLLOW BELOW
GIVEN ETHICAL GUIDELINES**

- The civil liberties and safety of individual volunteers are sufficiently protected.
- The informed consent form are appropriate and satisfactorily safeguard the rights of the respondents (in the case of minors, consent is obtained from legal guardians/parents).
- The Investigator(s)/Researchers should notify the Research Ethics Committee of the Faculty of Health and Life Sciences if there is any change in the methodology of the protocol concerning a risk to the individual volunteers.
- In case of any evidence of unexpected or adverse reaction during research conduction, the researcher should report to the REC-FHLS, DIU immediately.
- An assigned person from the Faculty of Health and Life Sciences should be allowed to supervise research activities.
- This approval is subject to P.1.'s reading and accepting the current ethical principles and guidelines of the REC-FHLS, DIU.
- After completion of the research the author should submit a summary report to the Research Ethics Committee of FHLS, DIU. Periodical report during research period is also expected.
